

## BOOST THE BUDGET SEASON 2017/2018

The Cards Trust Board thanks all supporters for their contributions in recent seasons, which have helped Woking F.C. have an increased playing budget. Boost the Budget is a straightforward way fans can make a big difference by contributing monthly.

- For example, 300 Boost the Budget monthly contributions of £10 would add £36,000 to the playing fund.
- Boost the Budget income will also increase the fans' stake in the Club by the Trust purchasing shares in return for monthly transfer of monies. Currently the Trust has a shareholding of 26% and growing.
- Many relatively small contributions can make a BIG difference whether by monthly standing order or one off donations and bucket collections.
- The Trust Board is committed to this form of support for Woking F.C.

How does BTB work?

- You commit to giving at least £10 per month by standing order to the Cards Trust or donations.
- The Cards Trust uses your donation to buy new Woking F.C. shares/pay the annual capital contribution on new shares.
- The Club uses the proceeds to boost playing budget.
- The Cards Trust increases its shareholding in the Club representing the fans.
- Last season (2016/2017), thanks to supporters' generosity, the Trust enhanced the playing budget by £39,000 from Boost the Budget contributions, and, in addition, contributed £3,000 from The 400 Club to Woking F.C.'s general finance, plus a further £5,000 as Woking F.C.'s share of Goldrush sales. A fantastic achievement, thank you!

As fans we want to help take Woking FC forward and are aiming to recruit many more members to Boost the Budget for season 2017/2018. Many fans have been contributing in recent years and helped raise in the region of £150,000. Thank you.

Please join Boost the Budget. Come on you Cards.
