

16-18 YEAR OLD ENTRANCE SCHEME WOKING FOOTBALL CLUB 2016/17 SEASON

Woking Football Club is again pleased to offer all school/college students and college apprentices aged between 16-18 an opportunity to enjoy a reduced entrance fee based on under 16 charges of £85.00 for a season ticket. Over a season of 23 games this equates to £3.69 per game. Alternatively you can take advantage of reduced entrance (£5) on a game-by-game basis. Membership of the Cards Trust would be required for both schemes, with savings in the Club Shop and other outlets on production of the Trust membership card.

How to qualify

Please ask your teacher or tutor to complete the information below. Take the completed form to the Club Shop at the ground together with a Cards Trust Membership application and fee of £10.00, cheque made payable to Cardinal Supporters Society, and completed season ticket form with payment (£85.00 cheque payable to Woking Football Club). Both forms are available online or the Club Shops.

A further option is to take the same information, less season ticket application/fee and request a photographic Cards Trust Student Card at no cost and then pay £5.00 entry per game attended. Two passport photos should be attached to this application with name and both signed by teacher/tutor. You will also need to join the Cards Trust as above. Your Student Card would need to be shown at a turnstile for every game to enter **for £5**. With no card the **£13.00** entrance charge will apply.
